International Conference on New Scientific Creations in Engineering and Technology- ICNSCET'19

Event Report: International Conference on New Scientific Creations in Engineering and Technology-ICNSCET'19

Date: 22.03.2019

Introduction:

The International Conference on New Scientific Creations in Engineering and Technology-ICNSCET'19, held on March 22, 2019, was a significant gathering that brought together professionals, researchers, and scholars in the field of Engineering and Technology. The event was graced by the esteemed presence of Chief Guest Dr. B. Chitti Babu, Ph.D., SMIEEE, Assistant Professor (Sr. Grade) in the Department of ECE at the Indian Institute of Information Technology, Kancheepuram, Chennai.

Key Highlights:

Inaugural Address:

Dr. B. Chitti Babu delivered an inspiring inaugural address, setting the tone for the conference. His insights into the latest advancements and future trends in Engineering and Technology provided a valuable framework for the discussions that followed.

Technical Sessions:

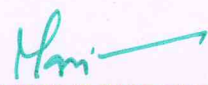

The conference featured a series of technical sessions where researchers and scholars presented their work on new scientific creations. Topics ranged from cutting-edge research in electronics and communication to innovative solutions in information technology.

Poster Presentations:

A dedicated space for poster presentations allowed participants to showcase their research visually. This interactive format facilitated in-depth discussions and knowledge exchange among attendees.

Networking Opportunities:

The conference provided ample opportunities for networking, enabling participants to connect with peers, researchers, and professionals in the field. The exchange of ideas and experiences

Dr. C. MATHALAI SUNDARAM, M.E., M.B.A., Ph.D.,
Principal
Nadar Saraswathi College of
Engineering and Technology
Vadapudupatti, Theni-625 531.
