Drafting Research Article and Proposals

Title of the event : **Drafting Research Article and Proposals**

Date of the event : 20.05.2023

Venue of the event : Sir C V Raman Auditorium

About the event :

Refine your scholarly writing with our program on Drafting Research Articles and Proposals. Tailored for researchers and academics, this program covers essential elements like effective research planning, structuring articles, and crafting compelling introductions. Practical application includes hands-on exercises and peer reviews, enhancing your ability to communicate findings and increase publication success. Ideal for researchers aiming to elevate their scholarly impact and secure research funding. Enroll now to unlock the skills needed for successful research communication and propel your academic career forward.

Guest Speaker Details : Dr K Sakthi Pandi, Professor
SRM TRP Engineering College,
Tiruchirappalli.

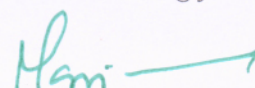

Participants Details : 82 Participants

Organized by : Department of ECE & Research and Development Cell

Overall Report of the Event :

As we conclude the Drafting Research Articles and Proposals Program, we celebrate the participants' journey toward refined scholarly writing. Through in-depth sessions on research planning, article structure, and proposal crafting, attendees have acquired invaluable skills for effective research communication. The program's emphasis on practical application ensures that participants leave not only with knowledge but also with the ability to translate it into impactful writing. We commend the dedication of all participants and anticipate the positive impact their enhanced writing skills will have on their academic pursuits. Thank you for being part of this transformative learning experience, and we look forward to witnessing your continued success in the realm of scholarly research and publication.
