

NADAR SARASWATHI COLLEGE OF ENGINEERING AND TECHNOLOGY

Vadapudupatti, Annanji (po), Theni – 625 531

Research Exhibition TEXPO-22'

Title of the event : " Research Exhibition TEXPO-22' "

Date of the event : 25th November 2022

Venue of the event : Class Room 5

About the event : TEXPO-22, organized by the Department of Electronics and Communication Engineering (ECE), showcased the remarkable research achievements of all final-year students. This event served as a platform for these students to exhibit their innovative projects, share their findings, and engage in discussions with peers and industry professionals. The involvement of the ECE department underscored its commitment to fostering a culture of research and technological innovation. TEXPO-22 not only provided a comprehensive overview of the diverse research initiatives within the department but also facilitated knowledge exchange and collaboration, contributing to the overall academic vibrancy of the institution.

Guest Speaker Details : Dr C Mathalai Sundram M.E., M.B.A., Ph.D., MISTE.,
Principal, NSCET.

Participants Details : 42 Participants

Organized by : Electronics and Communication Engineering

Overall Report of the Event : TEXPO-22, a remarkable research exhibition orchestrated by the Department of Electronics and Communication Engineering (ECE), showcased the impressive research endeavors of all final-year students, specifically conducted under the Transducer Engineering subject. This event, serving as a pinnacle of academic achievement, provided a dynamic platform for students to present innovative projects, share research findings, and engage in meaningful discussions. The active participation of the ECE department underscored its commitment to cultivating a culture of research and technological innovation. TEXPO-22 not only offered a comprehensive overview of diverse research initiatives within the department but also fostered knowledge exchange and collaboration, enhancing the overall academic vibrancy of the institution.
