

# NADAR SARASWATHI COLLEGE OF ENGINEERING AND TECHNOLOGY

Vadapudupatti, Annanji (po), Theni – 625 531

## Seminar of Block Chain Technology

Title of the event	:	Block Chain Technology
Date of the event	:	28 <sup>th</sup> April 2023
Venue of the event	:	Sir C V Raman Auditorium
About the event	:	This seminar Targets students to develop a new skill set in Block chain technology for their Research work. It will be extremely beneficial for the students to know about trending and emerging technologies as well as the new innovations that have the potential to revolutionize the coming decades.
Guest Speaker Details	:	Mr.Sudharsan Pillai, National Head, Live Wire, Chennai.
Participants Details	:	102 Participants (Students - 88, Staffs - 14)
Organized by	:	Department of Computer Science and Engineering
Overall Report of the Event	:	

Event started by the invocation by the students followed to that wel-come address and honoring of the dignitaries was carried over. Presidential address, felicitation address was given by the dignitaries. Guest speaker orated more about the research scope for blockchain technology is extensive and includes areas such as scalability, consensus algorithms, interoperability, security, and privacy enhancements. It also encompasses applications beyond cryptocurrency, such as supply chain management, healthcare, and voting systems. Exploring the environmental impact and sustainability of blockchain is another crucial aspect of research. Additionally, the integration of blockchain with emerging technologies like AI and IoT presents promising avenues for investigation. Overall, blockchain research seeks to address the challenges and opportunities in this rapidly evolving field, with a focus on improving efficiency, transparency, and trust in various industries.

Outcome of the Event	:	Students Understood the Research Concept and real time applications of Block Chain Technology
