Vadapudupatti, Annanji (po), Theni - 625 531

International Conference on New Scientific Creation in Engineering and Technology

(ICNSCET 2K21)

Title of the event : International Conference on New Scientific Creation in Engineering and Technology (ICNSCET 2K21)

Mode : Online

Date : 19.03.2021

About the Conference:

Mark your calendars for the prestigious "International Conference on New Scientific Creation in Engineering and Technology (ICNSCET 2K21)," scheduled for 19.03.2021. This conference is a global platform for scholars, researchers, and professionals to share and explore groundbreaking advancements in engineering and technology. With a focus on fostering innovation and collaboration, ICNSCET 2K21 will feature keynote speakers, paper presentations, and discussions covering a spectrum of new scientific creations. Join us in shaping the future of engineering and technology through knowledge exchange, networking, and the celebration of cutting-edge research.

Key Conference Highlights:

1. Keynote Addresses: Gain insights from distinguished keynote speakers, experts in their respective fields, sharing valuable perspectives on new scientific creations.
2. Paper Presentations: Explore a diverse range of research through paper presentations, showcasing the latest innovations in engineering and technology.
3. Networking Opportunities: Connect with fellow researchers, professionals, and scholars from around the world, fostering collaboration and exchange of ideas.
4. Interactive Discussions: Engage in thought-provoking discussions on emerging trends, challenges, and opportunities in the dynamic realm of engineering and technology.

Participants Details : Dr Xiao Zhi Gao, Professor, University of Eastern Finland.

Dr Sajal Chandran Banik, Professor, Chittagong University of Engineering & Tech
Bangladesh.

Organized by: Nadar Saraswati College of Engineering and Technology

Conclusion:

The "International Conference on New Scientific Creation in Engineering and Technology (ICNSCET 2K21)" promises to be a pivotal event in the academic and professional calendar. We invite researchers, academicians, and industry experts to join us on 19.03.2021 for a day of enlightenment, collaboration, and exploration of new scientific frontiers in engineering and technology. Stay tuned for an immersive experience that will shape the trajectory of innovation in the years to come.

Dr. C. MATHALAI SUNDARAM, M.E., M.B.A., Ph.D.,
Principal
Nadar Saraswathi College of Engineering and Technology
