

# NADAR SARASWATHI COLLEGE OF ENGINEERING AND TECHNOLOGY

Vadapudupatti, Annanji (po), Theni – 625 531

International Conference on New Scientific Creations in Engineering and Technology-

ICNSCET'2k23

**Title of the event** : International Conference on New Scientific Creations in Engineering and Technology-ICNSCET'2k23

**Date:** 09.05.2023 & 10.05.2023

**Venue:** Sir S V Raman Auditorium

## About the Conference:

Embark on a global journey of innovation and discovery at the International Conference on New Scientific Creations in Engineering and Technology-ICNSCET'2k23. Scheduled for the 9th and 10th of May 2023 at the prestigious Sir S V Raman Auditorium, this conference is set to be a convergence of brilliant minds and cutting-edge ideas.

## Conference Highlights:

- Innovative Research Presentations: Explore the latest scientific creations in engineering and technology through thought-provoking presentations by eminent researchers and scholars.
- Panel Discussions: Engage in insightful discussions led by industry experts, addressing key challenges and opportunities in the ever-evolving landscape of engineering and technology.
- Networking Opportunities: Connect with professionals, researchers, and academics from around the world, fostering collaboration and exchange of ideas.
- Poster Sessions: Showcase your research and projects through interactive poster sessions, providing a platform for in-depth discussions and feedback.

## Call for Papers:

Researchers and scholars are invited to submit their papers on groundbreaking research in various domains of engineering and technology. Accepted papers will be published in the conference proceedings.

**Organized by:** Nadar Saraswathi College of Engineering and Technology.

**Chief Guest :** Dr. Akey Sungheetha, M.tech., PhD., Professor, Department of CSE,

School of Electrical Engineering and Computing, Adama Science and Technology university,  
Adama , Ethiopia.

## Conclusion:

ICNSCET'2k23 promises to be a cornerstone event for the global scientific community, pushing the boundaries of knowledge in engineering and technology. Save the dates and join us at the Sir S V Raman Auditorium on May 9th and 10th, 2023, for an enriching experience of learning, collaboration, and inspiration.
