Golden Steps to Become a Successful Research Scholar: Innovative Problem Selecting, Intensive Data Analysis, Impressive Paper Writing

Title of the Work: Golden Steps to Become a Successful Research Scholar: Innovative Problem Selecting,
Intensive Data Analysis, Impressive Paper Writing

Date : 05 May 2021

Venue : Sir C V Raman Auditorium

About the Event:

Unlock the secrets to successful research scholarship at the event, "Golden Steps to Become a Successful Research Scholar," taking place on 05 May 2021 at the Sir C V Raman Auditorium. This comprehensive session will guide aspiring researchers through the crucial stages of innovative problem selection, intensive data analysis, and crafting impressive research papers. Expert speakers will share valuable insights, strategies, and practical tips to empower participants in their research endeavors.

Key Event Highlights:

1. Innovative Problem Selection: Learn how to identify and choose research problems that are both relevant and innovative.
2. Intensive Data Analysis Techniques: Dive into advanced data analysis methods, enhancing your skills for extracting meaningful insights from research data.
3. Impressive Paper Writing: Master the art of crafting compelling and impactful research papers that stand out in the academic community.

Chief Guest : Dr. M Jayachandran,
Chief Scientist & Head(Former), Electrochemical Materials, CSIR

Participants Details : 135 Participants

Organized by: Research Development Cell

Conclusion:

"Golden Steps to Become a Successful Research Scholar" is a must-attend event for individuals aspiring to excel in the realm of research. Whether you are a novice or an experienced researcher, join us on 05 May 2021 at the Sir C V Raman Auditorium for a day of enlightenment and skill enhancement. Elevate your research journey by gaining valuable knowledge and practical insights that will set you on the path to becoming a successful research scholar.
