## About NSCET

"An investment in Knowledge always pays the best interest"

Nadar Saraswathi College of Engineering and Technology was established in the year 2010 with the motto of uplifting rural student's cadre and to nurture them with excellence. It is exclusively constructed for molding up outstanding Engineers as responsible citizen and dynamic professionals. Excellence in teaching will continue to be the most important criterion in faculty recruitment. At the same time, the ability to do research, to engage in continuous scholarly and creative work, and to provide service, primarily to the region and the state, will be important additional qualifications. The college will provide a comprehensive range of support services for students. The College surround by the Greeny Environment which creates the calm and peaceful mind to the students.

## Vision

Revolution by imparting world class professional Engineering and Technology to the student fraternity.

## Mission

Making learning a Passion, inculcate Skill, Knowledge and Exposure, thereby evolve a method of Competence, Professionalism, pro-activeness and ensure achievement of pragmatism. Giving more value to the young Engineer's creation and research thereby encouraging multidimensional growth.

## About Workshop

The workshop is designed to impart the participants with knowledge of research methods, research process, use of research tools and techniques, writing and presentation skills. The workshop will make the participants to understand the finer nuances involved in writing a research paper for to publish in a high quality refereed journals. The other objective of the workshop is to make the participants to know how to write effective funding proposals to various Grant agencies. This training will bring a positive revolution in the faculty members attitude in their project and research works and get them more focused as well as result oriented, so that they can achieve the organizational goals at ease.

### Contents of the Workshop

- Research Problem Formulation & Literature Review.
- Introduction to general Technical Writing.
- Contours of a Journal paper and paraphrasing.
- Plagiarism, Publication Ethics & plagiarism software.
- Writing Effective funding proposals to Grant Agencies.

### Benefits and Take Away

- \* To generate funds by commercialization.
- \* To bring long term benefits to the Institutions on par with top class universities.
- \* To obtain funds from Grant Agencies.
- \* To attract young talents into the Institution.
- \* To learn DO's and DON'Ts in research.

## Circular

We are delighted to announce that our college is organizing a **Art of writing Research Articles and Funding Proposals** scheduled to take place on **10.08.2019**. This event promises to be an enriching experience, offering **Writing techniques for research articles, funding proposal development**. We strongly encourage the participation of both faculty and students to maximize the advantages of this program.

Your attendance and engagement will contribute significantly to the success of the event and provide invaluable insights and learning opportunities. We encourage everyone to take advantage of this occasion.

### 3. RESOURCE PERSON PROFILE

Dr.B. Chitti Babu received the B.E degree in Electrical & Electronics Engineering from Madurai Kamaraj University, India and M.E degree in Power Electronics & Drives from Anna University Chennai, India and Ph.D in Electrical Engineering from National Institute of Technology Rourkela, India in 2003, 2006 and 2012, respectively.

He was an Assistant Professor in the Department of Electrical Engineering, National Institute of Technology Rourkela, from 2007 to 2013.

He had Post-Doctoral research appointments with the Wroclaw University of Science and Technology, Poland, during 2013-2014, and with the VSB-Technical University of Ostrava, Czech Republic, during 2014-2015.

Both of these appointments were sponsored by the European Commission, UK. He was an Assistant Professor in faculty of engineering, University of Nottingham (U.K) Malaysia Campus, Malaysia from Sep 2016- June 2018.

Since June 2018, he has been an Assistant Professor in Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, Chennai, India. Dr.B. Chitti Babu serves as an editorial board member/associate editor of many peer reviewed ISI/Scopus journals, including IET Renewable Power Generation, IET Energy Systems Integration, International Trans. On Electrical Energy Systems (John-Wiley), IEEE Access Journal, Energy Sources (Tailor & Francis), Energy & Environment (SAGE), AUTOMATIKA (Tailor & Francis), International Journal of Modelling & Simulation (Tailor & Francis).

His current research interests include power electronics applications in smart distribution grids containing renewable energy sources, Design of Low power Photovoltaic (PV) system including MPPT Algorithm, control and grid integration of Renewable energy systems. He is a senior member of IEEE, IEEE Power & Energy Society, and IEEE Smart Grid Community.

#### 6. FEEDBACK

The Workshop greatly expanded my understanding with the help of some characteristic examples, the workshop will serve as a practical guide to the art of writing Research Articles.

Sy. R  
(R. SARANYA)

More Helpful thing over Journal publication and the way he express is quiet Impressive. The Funding project ideas are more useful for a Begunee like me. Thanks for Valuable guidance → ~~to~~

R. Sp. →  
(R. SITAMUGA PRYAN)

It was really a fantastic workshop. I gained a lot from that. I really wonder how my papers are getting rejected from journals, now I got a clear view from his explanation to make my paper to get selected in journals. The ideas he gave for funding agencies especially for women is fabulous.
