Circular

We are delighted to announce that our college is organizing a **International Conference on New Scientific Creations in Engineering and Technology-ICNSCET'19** scheduled to take place on **22.03.2019**. This event promises to be an enriching experience, offering **Showcasing new scientific creations, interdisciplinary discussions, networking**. We strongly encourage the participation of both faculty and students to maximize the advantages of this program.

Your attendance and engagement will contribute significantly to the success of the event and provide invaluable insights and learning opportunities. We encourage everyone to take advantage of this occasion.

RESEARCH INTERESTS

- Power Electronics applications in smart distribution grids containing renewable energy sources.
- Design of low power photovoltaic (PV) energy system for portable applications including MPPT algorithm.
- Grid Integration of Renewable power generation System.
- Control concepts in Power & Energy Systems.

WORK EXPERIENCE

TEACHING

- Associate Professor, Dept. of Electronics & Communication Engineering, Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, Chennai, August 2023- Till date.
- Assistant Professor (Grade-I), Dept. of Electronics & Communication Engineering, Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, Chennai, June 2018-July 2023.
- Assistant Professor, Department of Electrical & Electronics Engineering, The University of Nottingham (U.K), Malaysia Campus, Sep 2016- June 2018.
- Visiting Faculty, Department of Electrical Engineering, Visvesvaraya National Institute of Technology, Nagpur. Jan 2016 to May 2016.
- Asst. Professor, Department of Electrical Engineering, National Institute of Technology, Rourkela India, July 2007- Dec 2013.
- Lecturer, National Institute of Foundry & Forge Technology, Ranchi, Oct 2006-June 2007.

INDUSTRY

- Post-Doc Research Fellow, Department of Electrical Power Engineering, VSB-Technical University of Ostrava, Czech Republic, 2014-2015.
- Post-Doc Research Fellow, Institute of Electrical Power Engineering, Wroclaw University of Science & Technology (WUST), Poland, 2013- 2014.
- Visiting Researcher, Politecnico di Milano, Italy, Dec 2014-Feb 2015.
- Visiting Scientist, Yildiz Technical University, Istanbul, Turkey, Dec 2019.

contributed to the collaborative spirit of the event.

Chief Guest's Contribution:

Dr. B. Chitti Babu's presence and participation significantly enriched the conference. His expertise and experience in the field of Electronics and Communication Engineering added depth to the discussions and provided valuable insights for the participants.

Conclusion:

The International Conference on New Scientific Creations in Engineering and Technology- ICNSCET'19 was a resounding success, fostering an environment of knowledge dissemination and collaboration. The active participation of attendees, coupled with the valuable contributions from Dr. B. Chitti Babu, made this event a memorable and intellectually stimulating experience.

Acknowledgments:

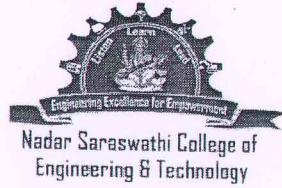

Special thanks to Dr. B. Chitti Babu for gracing the event as the Chief Guest and contributing to its success. The organizers extend their gratitude to all participants, presenters, and sponsors who played a crucial role in making ICNSCET'19 a successful and enlightening conference.

Looking Forward:

As we reflect on the success of ICNSCET'19, anticipation builds for future conferences that will continue to push the boundaries of scientific creations in Engineering and Technology. Stay tuned for more opportunities to engage, learn, and contribute to the advancement of knowledge in our dynamic field.

Dear Sir,

Sub: Requisition for being a speaker for International conference

We would like to inform you that our college is planning to host an international conference on "**New scientific creations in Engineering And Technology 2k19(ICNSCET-19)**" for our students on **March 22,2019**, from 10:30 am to 12:30 pm. The objective of this event is to encourage the students to have a clear knowledge about the recent technologies and to have some hands on exposure with it. We want to make this event a grand success and believe you are the most suitable person to deliver the keynote address.

We kindly request you to consider our invitation and honor us with your acceptance. Looking forward to your support and cooperation.

Thank you,

Mani — 22/02/19

Dear Sir,

Subject: Heartfelt Thanks for Confirming Your Participation as Speaker-Reg.

I hope this letter finds you well. On behalf of our college International Conference and Development. I extend our sincere gratitude to you for accepting our invitation to be the keynote speaker at the Conference "**International Conference on New Scientific Creations In Engineering and Technology 2k19**" on March 22,2019 from 10:30 am to 12:30 pm. Your willingness to share your insights and experiences will undoubtedly contribute significant success to our event. We believe that your expertise in the field will inspire and guide our outgoing students toward paper preparation and Publication journey. Moreover, your valuable information on available funding schemes for new technology will undoubtedly be an invaluable resource for our aspiring Journey .

We are genuinely honored to have you as our distinguished speaker and appreciate your commitment to fostering entrepreneurship among our students. Your presence will undoubtedly make this event a grand success.

Once again, thank you for your support and cooperation. We eagerly anticipate your enlightening address and look forward to a fruitful collaboration.
