## Circular

We are delighted to announce that our college is organizing a **Workshop on Introduction to PCB Design and Antenna Simulation Prototype** scheduled to take place on **02.03.2021**. This event promises to be an enriching experience, offering **PCB design basics, antenna simulation, prototype development**. We strongly encourage the participation of both faculty and students to maximize the advantages of this program.

Your attendance and engagement will contribute significantly to the success of the event and provide invaluable insights and learning opportunities. We encourage everyone to take advantage of this occasion.
