

## About NSCET

"An Investment in Knowledge always pays the best Interest"

Nadar Saraswathi College of Engineering and Technology was established in the year 2010 with the motto of uplifting rural student's cadre and to nurture them with excellence. It is exclusively constructed for molding up the outstanding Engineers as responsible citizens and dynamic professionals. Excellence in teaching will continue to be the most important criterion in faculty recruitment. At the same time, the ability to do research, to engage in continuous scholarly and creative work, and to provide service, primarily to the region and the state, will be important additional qualifications. The college will provide a comprehensive range of support services for students. The College surrounded by the Green Environment which creates the calm and peaceful mind to the students.

## About QIC

Quality Improvement Cell is formed to enhance the quality of both the faculty members and the students and it has become essential to improve the teaching skills and knowledge of the teachers and learning process of students to improve quality.

## Objectives

- ❖ Quality Improvement cell motivates and aids the faculty to switch from the traditional learning mode to the blended learning mode for the enhancement in quality of technical education.
- ❖ In the blended learning mode, apart from the text books, faculty members have to go through the video lectures provided by eminent scholars / institutions so that teaching – learning process will be effective.
- ❖ Faculty members are encouraged to attend conferences / seminars and workshop to update themselves on present trends. Incentives are provided to encourage their participation.
- ❖ In addition, faculty members are motivated to submit articles in reputed journals and they are awarded for their submission

## Vision

Establishment of an effective internal quality system to enable the NSCET to realize the vision. "NSCET aspires to become an Innovative institution by developing excellent human resources with leadership qualities, ethical and moral values, research culture and innovative skills through higher education of global standards"

## Mission

- ❖ To design and develop appropriate quality system procedures for academic and administrative activities of the institution in consultation with all the concerned members.
- ❖ To educate, train, counsel and motivate all the members to effectively implement the developed quality system procedures.
- ❖ To identify and train a group of internal quality monitoring members to monitor the effective implementation of the quality system procedure.

## About Seminar

The Seminar focuses on giving the participants the complete experience on research & development methodologies.

Research methodology is the specific Procedures or techniques used to identify, select, process and analyse information about a topic. In a research paper, the methodology section allows the reader to critically evaluate a study's overall validity and reliability. The Methodology section answers two main questions: How was the data collected or generated? How was it analyzed?

## About the Chief Guest

Prof Dr.N.Jawahar M.E., Ph.D., Margadharshak of AICTE, assisting for Accreditation of NBA, NAAC Process as directed by AICTE. Eminent Resource Person and Evaluator for Various Accreditation Process of Various reputed Institutions. He was a former principal of Ramco Institute of Technology and Served as a Professor & Head in the Department of Mechanical Engineering at Theigarej College of Engineering, Madurai.

## Content of Seminar

- ❖ Research Methodologies and its Process.
- ❖ Research Article Writing Technologies.
- ❖ Steps on Research Article Publication.
