## About the Institution

"An investment in Knowledge always pays the best interest"

Nadar Saraswathi College of Engineering and Technology was established in the year 2010 with the motto of uplifting rural student's cadre and to nurture them with excellence. It is exclusively constructed for molding up outstanding Engineers as responsible citizen and dynamic professionals. Excellence in teaching will continue to be the most important criterion in faculty recruitment. At the same time, the ability to do research, to engage in continuous scholarly and creative work, and to provide service, primarily to the region and the state, will be important additional qualifications. The college will provide a comprehensive range of support services for students. The College surround by the Greeny Environment which creates the calm and peaceful mind to the students.

## College Location

## About EDC

Entrepreneurship Development Cell of NSCET is created with a novel goal of "Nurturing and grooming students to become successful entrepreneurs"

In this regard the cell works with all the stakeholders to create a pleasant environment for the students to become successful entrepreneurs of tomorrow.

With such a goal in mind the cell provides various activities. The cell has conducted various guest lectures and awareness programs so that the students shall know that they can become entrepreneurs and create opportunities for others. In addition, previously the cell has coordinated with organizations like Khadi and conducted student competitions relevant to entrepreneurship.

The cell will continue to provide programs like guest lectures and awareness programs so that every student shall understand that they can give jobs to others by methodically taking risks. We will also provide workshops on ideas and innovation creation workshops so that the budding entrepreneurs can provide effective and economic solutions that would result in cheap and efficient products. This could greatly increase the level of confidence of the budding entrepreneurs.

The cell also shall provide activity oriented online certificate training programs offered by government agencies so that the students can get more systematic training.

The cell also has plans to several other programs like E-Bazaar, Hackathon among others in order to nurture and develop the entrepreneurial skills of the prospective student so that he/she can become a successful entrepreneur in the future.

The cell also can interact with the various stake holders in becoming successful entrepreneurs. In this connection the cell can collaborate with various agencies like Entrepreneurship Development Institute, Government of Tamilnadu, Entrepreneurship Development and Innovation Institute, Wadhwani Foundation, National Entrepreneurship Network among others in order to empower and enrich the Entrepreneurship Development Cell of NSCET.

## Objectives

The programme is designed to train and develop professionals in the area of Entrepreneurship development so that they can act as Resource Persons in guiding and motivating young students, particularly from Science and Technology stream, to take up entrepreneurship as their career. The specific objectives are to

- Expose the participating members to the comprehensive entrepreneurship development process.
- Equip them with the requisite skills, knowledge and competencies for effective initiation of goal oriented activities in their institutions
- Familiarize the support available for promoting entrepreneurial activities in their institutions

## Feedback on Entrepreneurship Development Programme

First of all. I would like to thank our Management & the EDC club for organizing such an effective 14 Day FDP on Entrepreneurship. It was co-organized with Anna University & the way the NSCET's EDC club handled the programme was simply amazing.

Our Faculty members have helped us in various ways throughout the Program. The Resource Persons & the Business People who handled their sessions with utmost brilliance & real time solutions deserve a great notch.

They simply amazed us with their Decision making skills & Innovative / creative thoughts through their experiences Overall as a whole, this EDC - FDP was organized & coordinated by our Team with such an state of art template.

It was Good

Informative

NSCET & Anna University Regional Campus, Madurai jointly organized the two weeks FDP on 'Entrepreneurship' has imbued me with the knowledge of how to motivate our students to become an entrepreneur.

In these 2 weeks we had more than 15 guests & the topics they have covered were different & quite interesting.

\* The topics include why Entrepreneurship, Profile of an entrepreneur, Business Environment Scanning, Individual counselling techniques, Market Survey, Technical aspects of SSI, Achievement motivation training, Financial aspects of SSI, How to prepare a Business plan, Problem solving & Decision making, Stress management.

\* we had an Industrial visit to Gdhayam plant at Virudhunagar. The importance the company has given for quality of their products was really

amazing.

I got admitted at 2 sessions on  
of all sessions.

One is the session handled by  
Mr. Jagadeesh. On hearing the topic 'How  
to make Business Plan', I thought that  
the sessions will be quite boring, but he  
made the session more interesting & infor-

The other session was the session  
handled by Mr. Surendar Rambingh. He  
explained the various policies followed by  
their concern for their success. He also  
insisted that we should give equal impor-  
to Health, family, career, financial, mindata  
service to society, spiritual to achieve  
success in our life.

I thank the Entrepreneurship Dev-  
elopment Cell of our college for providing us such as  
wonderful opportunity inside our campus,
