Respected Sir,

Sub: Proposal for conducting National Level Technical Symposium - reg.

I am writing to you on behalf of Science and Humanities Department to propose the conduct of an Inter Collegiate National Level Technical Symposium exclusively for I Year students. It is planned to conduct on 21st July 2023. This technical symposium aims to provide a platform for professionals, researchers, and enthusiasts to come together and exchange insights, ideas, and best practices in their specific technical area. It will serve as a networking opportunity for participants to establish valuable connections and collaborate on future projects.

Please find attached a copy of our proposal, which includes more detailed information about the symposium. We eagerly look forward to your positive response and the opportunity to work together to make this technical symposium a resounding success.

Thank you for your time and consideration.

NATIONAL LEVEL TECHNICAL SYMPOSIUM 2022

SYMPORIUM REPORT:

Now, I invite Ms.K.Farhanu Banu of CSE to present the report of this Technical Symposium.

PRIZE DISTRIBUTION:

"If you believe in yourself and have dedication and pride and never quit, you will be a winner."

The prize of victory is high but so are the rewards.

This is the time we acknowledge the talent of our position holders, the position holders who have been struggling and facing many challenges and difficulties to be pioneers.

Now I would like to call upon the great personality Mr. A.Rajkumar, Secretary and Dr.C. Mathalai Sundaram, Principal to come on the stage to distribute the awards to the position holders.

I congratulate and appreciate the position holders who have put faith, hope and worked hard for their success.

VOTE OF THANKS:

"As with all commandments, gratitude is a description of a successful mode of living"

The thankful heart opens our eyes to a multitude of blessings that continuously surround us.

Now I call upon Mr. Meenalochanan, from department of EEE to deliver the vote of thanks.

Thank you!

NATIONAL ANTHEM:

"When we hear our National anthem that raises our goosebumps is irreplaceably magical"

Now let us all stand for National anthem.

1. About the Program

WEBINAR ON

**"INTERACTIVE LECTURE ON LV SWITCHGEAR, ELECTRIC VEHICLES
CHARGERS AND INDUSTRIAL AUTOMATION"**

The main aim of the program is to make the students to know the importance of low voltage switchgear, electric vehicles chargers and industrial automation

The following were the points discussed in the event:

- The session was divided in three categories- LV Switchgear, EV Chargers, Industrial Automation.

Session 1: Introduction about Low voltage switchgear.

- Function of LV switchgear: Electrical Protection, Electrical Isolation of installations, circuits and equipment, Local or remote switching
- Brief discussion about Components used in LV switchgear (Fuses, Switches, Relays, Isolators, Circuit breakers and Contactors)

Session 2: EV Chargers

- Types of chargers according to the level of supply.
- Gave the explanation of input supply, power output, charging speed, equipment and installation cost, EV power intake.
- Gave explanation about connector design.

Session 3: Industrial Automation

- Information technologies for handling different processes and machineries in an industry to replace a human being.

INAUGURATION OF STUDENT CAREER CONNECT CELL – 16/11/2023

INAUGURATION OF STUDENT CAREER CONNECT CELL (SC3) AND
SEMINAR ON GATE, IES EXAMS

Date : 16.11.2023

Introduction

The main objective of conducting seminar is :

- **Establishment of Student Career Connect Cell (SC3):** The primary objective is to inaugurate and establish the Student Career Connect Cell (SC3) within the educational institution.
- **Holistic Career Guidance:** SC3 aims to provide comprehensive career guidance to students, helping them make informed choices about their academic and professional paths.
- **Fostering Industry Connections:** The cell intends to bridge the gap between academia and industry by fostering connections that facilitate internships, workshops, and placement opportunities for students.
- **Enhancing Employability Skills:** SC3 focuses on organizing skill development programs to enhance students' employability, ensuring they are well-prepared for the competitive job market.
- **Promoting Higher Education:** The cell aims to encourage students to pursue higher education by organizing seminars, workshops, and counseling sessions on various post-graduate and research opportunities.
- **Seminar on GATE, IES Exams:** The inauguration includes a seminar specifically dedicated to the Graduate Aptitude Test in Engineering (GATE) and Indian Engineering Services (IES) exams.
- **Information Dissemination:** The seminar aims to disseminate valuable information about the GATE and IES exams, including eligibility criteria, exam patterns, and preparation strategies.
- **Expert Guidance:** Renowned experts and professionals in the field will be invited to provide insights and guidance to students aspiring to excel in GATE and IES exams.
- **Interactive Sessions:** The event will feature interactive sessions, allowing students to clarify doubts, seek advice, and engage in discussions with the experts present.
- **Empowering Future Engineers:** Overall, the inauguration of SC3 and the seminar on GATE and IES exams aims to empower and equip students with the knowledge and resources needed for a successful and fulfilling career in engineering and related fields.

Respected Sir,

Sub: Requesting permission for the Students Field Visit – Transformer Installation by Tangedco - Reg.

This is to bring to your kind notice that, our college had increased utilization of power consumption from 82KW to 110KW. The proposal was sanctioned by TNEB. They are going to replace the old transformer (100KVA) by new transformer (200KVA). The installation work will go to held on 04/08/2023. Our Department has planned to field visit the new transformer installation process with our department students. So we request you to give a permission to visit the transformer installation work.

Thanking you

Yours truly,

Greetings form Placement Cell!

Good Afternoon

Respected Heads of Department,

With reference to the above, I would like to furnish the following details for your reference, As per the directives from the Principal, the Placement cell is going to conduct a three days' Theory and Hands on session for Coding and Programming on 27-10-2023, 28-10-2023 & 30-10-2023. If needed, these classes will be extended as per the requirements.

All the HoDs are requested to make sure that the respective department students attend these classes with total commitment and involvement. The placement cell extends its gratitude to Mr. J. Mathalairaj, HoD/ CSE for preparing the schedule and other requirements.

We also extend our gratitude to Dr. E. Ananthakrishnan, HoD/ Civil, and Dr. B. Radha Krishnan, HoD/ Mech for providing the Civil and Mechanical - CAD laboratories for the Hands-On sessions.

With immense pleasure, we also thank all the senior faculties who have wholeheartedly accepted to extend their helping hand for both the theory and practical classes.

Kindly acknowledge this mail and do the needful.

Your continuous support and cooperation is appreciated.

*Please find herewith the attached file of scheduled Coding and Programming sessions and the List of Trainee Teachers.
