Circular

We are delighted to announce that our college is organizing a **Webinar on Problem solving and Ideation** scheduled to take place on **30.12.2020**. This event promises to be an enriching experience, offering **Ideation techniques, problem-solving strategies, creative thinking**. We strongly encourage the participation of both faculty and students to maximize the advantages of this program.

Your attendance and engagement will contribute significantly to the success of the event and provide invaluable insights and learning opportunities. We encourage everyone to take advantage of this occasion.

ACHEIVEMENTS:

- Two times successfully conducted Madurai's ground water survey and published the data.
- Honoured with "Madurai's Nambikai thamizhan" award by Sangam 4 the year of 2015
- Inaugurated first "Rain center" in South Tamilnadu.
- "Distinguished Alumini Award -2017" for outstanding services in the field of Social Development.

OUR JOURNEY :

In our early stages, Rainstock's journey blooms up with the idea of natural water bodies restoration and effectively involved in all social campaigns and activities to create awareness among general public.

We have conducted ground water quality measure survey in 2015 & 2017 and published the results at Gandhi Museum by comparing the quality results on "World Water Day –March 22,2017".

Our survey created a great impact among the people on the poor quality and contamination of their ground water. It greatly helped in the realization on the current water scenario and an alarming awareness for future generations.

In Rainstock,

Our motive is

- Recharge– Installing Rainwater Harvesting Systems to recharge aquifers and service cum maintenance of existing structures.
- Reuse– Implementing Waste Water Recycling Treatment in a eco friendly, natural approach.
- Reach Out– Educating and Imparting knowledge among Public, Children and Students.
