<u>Common Circular</u>

It is hereby informed that the Government of Tamil Nadu has launched the **"Drug Free Tamil Nadu" App**, which is available on both the Play Store and App Store. The purpose of this app is to prevent drug peddling and consumption across the state. Students can use this platform to report any drug-related activities while maintaining complete anonymity.

In this regard, all **staff members** are asked to install the app. Additionally, **class in-charges** are directed to ensure that all the students install the app. All students are required to complete this process at the earliest. Your cooperation in this matter is highly appreciated.

For any queries, please contact the respective class in-charge or the RRC Coordinator.

RESEARCH AND DEVELOPMENT CELL

COMMON CIRCULAR

Ref No: NSCET/R&D/2025/02 **Date:** 28.02.2025

Subject: Usage of Turnitin Plagiarism Checker Software for Students and Faculty

The Research and Development Cell is pleased to inform all faculty members and students that Turnitin Plagiarism Checker software is now available for use to enhance the quality and originality of research work, academic publications, and project reports.

Guidelines for Usage:

1. The software can be accessed through the Research and Development Cell.
2. Faculty members and students must submit their research papers, project reports, and dissertations for plagiarism checking before final submission.
3. Users must submit their documents in PDF for plagiarism verification.
4. The similarity index must be maintained as per institutional and journal guidelines.
5. Faculty members are encouraged to guide students in refining their work based on Turnitin reports.
6. Access to the software will be provided only upon prior request through the R&D Cell.
7. Any misuse of the software or unethical academic practices will be strictly dealt with.

For further details and access requests, kindly contact the Research and Development Cell.
